- Visit: <http://www.youthlinkmn.org>

Foster youth should get their names on the lists for Public Housing and Section 8 Housing as soon as they turn 18. Both lists are very long, sometimes even closed, and it can be months before your name will come up.

**What is the difference between Public Housing & Section 8 ?**

Public housing refers to a place that the community finds for you, in Section 8, you receive a voucher for a place YOU find in the community.
